Oregon Coast Trail County Support Statement

Clatsop County pledges to support, where possible and appropriate, ongoing efforts in trail alignment, construction, and maintenance; to encourage local regional and statewide partners to facilitate trail completion; to pledge strategic assistance where appropriate and available; as possible, to help secure easements; and to provide support for the seeking of grants for trail construction. As adequate resources are made available, Clatsop County will work to incorporate all needed Oregon Coast Trail related changes into the county's comprehensive land use plan.

Sincerely,

A handwritten signature in blue ink that reads "Mark Kujala".
