

Spay and Neuter

We encourage all pet owners to spay or neuter their pets.

Homelessness is the No. 1 cause of death for dogs and cats.

On average, 64% of animals taken into shelters nationwide have to be

euthanized for lack of available homes.

For every person born in the United States, 15 dogs and 45 cats are born.

It's simple math. There just aren't enough loving homes for all of these animals.

You can help end this tragedy with one small but significant action

-- prevent a litter by having your pet sterilized.
