

Emergency Preparedness Campaign Week 3: Protect Family & Property

News Release Date
09-22-2023

The third week of Clatsop County’s “6-Weeks Ready” campaign for personal emergency preparedness is here and the theme is: “Protect Family and Property.”

Each week a new preparedness focus is introduced and leads to the [Great Shakeout](#) earthquake drill on Thursday, Oct. 19.

“The Oregon HazVu geohazards viewer is a wonderful resource hosted by the Oregon Department of Geology and Mineral Industries (DOGAMI). It’s a simple online tool that lets you put in an address to see if your home, school, work or surrounding area is in a tsunami evacuation zone, wildfire area, at risk for a landslide or other hazard areas,” said Justin Gibbs, Clatsop County emergency management director.

“The more you know about your risk, the better able you can prepare for a disaster,” he said. “Although it is simple to use, we’ve put together a quick video that walks you through using the hazard viewer.”

Clatsop County’s [6-Weeks Ready campaign](#) provides residents and businesses with an opportunity to increase preparedness efforts. The 6 Weeks Ready campaign ends with the [Great Shakeout](#), and the County encourages everyone to register online to participate.
