

Ballots Mailed for Nov. 7 Election

News Release Date
10-18-2023

Election ballots were mailed today to residents of Warrenton, Cannon Beach Rural Fire Protection District, and Mist-Birkenfeld Rural Fire Protection District.

Ballot drop boxes also were opened at City of Warrenton, City of Cannon Beach and Clatsop County Clerk & Election Office in Astoria.

Received ballots will be counted if they are **postmarked on or before Election Day**. The Clatsop County Clerk and Elections Office asks voters to find out the postmark cut-off time of their local post office if they mail their ballot on Election Day.

Partial election results will be posted online beginning at 8 p.m. on Election Day at [ClatsopCounty.gov](https://www.clatsopcounty.gov). Updated results will be posted later on Election night.

Because of newer state guideline allowing ballots to be postmarked on Election Day, it may take several days for final unofficial election results to be announced.
