

Community Partner Health Needs Assessment Survey

News Release Date

03-30-2022

Dear Community Partner,

Clatsop County Public Health, Columbia Memorial Hospital, Columbia Pacific CCO, Columbia County Public Health, and Providence Health & Services are conducting a Community Health Needs Assessment (CHNA) to understand the strengths, needs and challenges impacting health in the North Coast region. The information collected will help guide planning and action to improve the health of residents who live, work, and play in our community.

Please share your thoughts and suggestions about the community's needs. **Complete the online survey by May 15th!**

This is your chance to make your voice heard! All responses are completely anonymous.

In addition, we need your help to be sure the whole community is represented in collecting this information. We ask you to forward this email and attached flyer to your colleagues, clients, friends, and neighbors to invite them to take the survey as well.

Questions? Contact: [kyle.roesler \[at\] providence.org](mailto:kyle.roesler@providence.org).

Thank you for participating in this survey!
