For the second year, Clatsop County was honored to join the National Association of Counties (NACo), the National Association of County Veteran Service Officers (NACVSO), and other counties across the United States in [Operation Green Light for Veterans](#).

From Monday, November 6 to Sunday, November 12, 2023, County buildings were illuminated green to let our veteran community know that they are seen, appreciated, and supported.

“Similar to the sacrifices of previous generations of our armed forces, this service to country also often results in significant stress to many of the veterans who served in times of war and conflict. We want to make sure our veterans and their families know that their service mattered, that we are grateful for their sacrifices, and that it is now our turn to make sure they are served by their county government and our community,” said John Toyooka, Clatsop County Commissioner and U.S. Marine Corps Veteran.

A special thank you to the City of Astoria, City of Gearhart, City of Seaside, City of Warrenton, the Columbia River Bar Pilots, Fort Stevens, Lum’s Auto Center, McMenamins Gearhart, and all the other local community partners, businesses, and residents who helped turn the County
