

COUNTY MANAGER'S OFFICE

MEMORANDUM

To: Board of County Commissioners

From: Cameron Moore, County Manager

Date: Nov. 18, 2016

Subject: **CLATSOP COUNTY WEEKLY BULLETIN**

Noteworthy Department Updates

Community Development – The county has a new requirement for posting any property that is the subject of a public hearing. The Community Development Department supplies the signs (*right*) that applicants are required to place on the property in a visible location at the same time a written notice is sent to nearby property owners. The reusable signs will be returned to the county after the hearing.

Emergency Management – Astoria High School began their Teen CERT program today. Emergency Management staff (assisted at times by local first responders & volunteers) will be delivering the curriculum to all AHS seniors during health class. This marks three county high schools now delivering the curriculum via the health sciences classroom to an entire grade level.

HAZARDS COMMITTEE – The Natural Hazards Mitigation Steering Committee met this week for their second annual meeting to discuss grant opportunities, plan updates and community projects. The NHMP Steering Committee is a whole community planning group which meets each year in May and November, and maintains the NHMP Plan while exploring and discussing ways to mitigate the impacts of natural hazards in Clatsop County.

VOLUNTEER RECOGNITION – CCEMD is honoring amateur radio volunteers this Saturday night at a Volunteer Recognition Dinner held at the Holiday Inn Express in Astoria from 6-8 p.m.
