 - c. "Representative of the news media" means a news reporter who is engaged in the act of gathering news for a news media organization as determined by subsection (F)(4) of this section.
2. It is the Board's policy that all information discussed or considered in executive sessions of the Board shall be undisclosed, unless otherwise authorized by the Board. This policy extends to all statements made in executive sessions, to all documents considered, and all other information presented or considered regardless of the format, in executive sessions of the Board. To the extent

this policy may be inconsistent with Oregon law, Oregon law shall control. This policy shall apply regardless whether persons attending any particular executive session are reminded of the policy. The Board, in its sole discretion, may make exceptions to this policy if it is in the public interest to do so, and if a majority of the members thereof vote to do so.

3. Recognition of News Media Organizations.
 - a. In order to be recognized as a news media organization, an entity must provide evidence that the entity is organized and operated to publish, broadcast or disseminate news to the public, and that it ordinarily reports the activities of Clatsop County, or that it ordinarily report matters of the nature under consideration by Clatsop County.
 - b. It shall be the entity's burden to persuade the Board by a preponderance of the evidence that it is a news media organization as defined above. The entity may be a news component of a larger organization which isn't necessarily a news media organization.
 - c. The Board may consider any relevant evidence provided or gathered in making a decision whether to recognize an entity as a news media organization. The Board shall make its determination whether to recognize the entity as a news media organization based the following criteria:
 - i. Regular publication, regular broadcasts or regular updates (at least once weekly) of news;
 - ii. Publication, broadcast or website must contain a minimum of 25% news content, and include news produced by its own staff;
 - iii. The publication, broadcast or website must not serve primarily as a platform to promote the interest and/or opinions of a special interest group, individual or cause, or as a forum to air grievances, engage in gossip, or for personal attacks or character assassination;
 - iv. Evidence that the entity ordinarily reports the activities of Clatsop County, or that the entity ordinarily reports matters of the nature under consideration by Clatsop County.
 - d. The Board's decision to recognize or not to recognize an entity as a news media organization is a quasi-judicial decision reviewable as provided by the Circuit Court in ORS 34.010 to 34.100.
 - e. The County may maintain a list of authorized media organizations.
4. Recognition of Representatives of the News Media.
 - a. Representatives of the news media are allowed to attend executive sessions, except as described in ORS 192.660(4) and 192.660(5). In order to determine whether someone requesting permission to attend an executive session is a representative of the news media, the following procedure shall be followed:
 - i. A news media representative who wishes to attend an executive session must provide evidence that the person is a news reporter who is engaged in the act of gathering news for a news media organization.
 - ii. It shall be the burden of the entity hiring the news media representative to persuade the Board of Commissioners by a preponderance of the evidence that the representative is engaged in the act of gathering news for that news media organization. The Board

shall make its determination whether to recognize the person as a representative of the news media entity based on the following criteria:

- (A) Press Identification. Press badge or identification issued by recognized news media organization, plus proof of identity (such as a driver's license);
 - (B) A recently published news article by a news media organization with the representative's byline, or a masthead showing the representative's name as a member of the editorial staff of a recognized news media organization, plus proof of identity; or

 - (D) Proof, satisfactory to the Board, that the news media representative is attending the meeting for the purpose of gathering news, even though the information discussed or considered in executive session shall be undisclosed, unless otherwise authorized by the Board.
- b. If an entity is not recognized by the County as a news media organization, no representative of that entity shall be allowed to attend an executive session until the entity is granted recognition. If the executive session is for the purpose of discussing current litigation or litigation likely to be filed, and the representative of the news media organization is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation, the person shall not be allowed to attend the executive session. If the Board has reason to believe that a news media representative has submitted false information or has previously failed to comply with the Board's policy, the Board may request the news media organization to send a different representative to executive sessions, or take other appropriate measures to protect the integrity of its executive sessions.
 - c. The Board may consider any relevant evidence provided or gathered in making a decision whether a person is a representative of a news media entity. The Board's decision to recognize or not to recognize a person as a representative of a news media entity, and/or to grant permission to attend an executive session, is a quasi-judicial decision reviewable as provided by ORS 34.010 to 34.100. (Ord. 11-14 § 7)

The County cost recovery policy shall meet Government Finance Officers Association (GFOA) recommendations on the setting of government charges and fees, National Advisory Council on State and Local Budgeting (NACSLB) recommended best practices, and the Board adopted long term financial plan. The cost recovery policy will ensure that a proportion of these costs

are recovered through user fees in an equitable manner in accordance with the County's current fiscal and budgetary policies approved by the Board of County Commissioners, and adherence to the proper statutory requirements.

B. Debt Policy.

1. Long-Term Debt. Long-term debt is defined as bonded indebtedness whose maturity is at least 10 years from the issue date. Issues to be addressed in long-term debt planning may include, but not necessarily be limited to, the following:

 - e. Every effort will be made to schedule even principal and interest payments for the repayment of debt so as to avoid fluctuations in debt service requirements and tax rates.

Therefore, debt financing shall be used only for capital expenditures and not for addressing maintenance items.
2. Short-Term Debt. Short-term debt shall be issued for a term of 10 years or less. Enterprise funds should support needed capital improvements on a pay-as-you-go basis to the greatest extent possible. In the event short-term debt financing is required, certificates of participation, lease-purchases, limited tax revenue bonds, bank qualified financing or other debt instruments may be used as a short-term (one to 10 years) method of borrowing for the financing of various County needs, such as fleet equipment, renovation or reconstruction of capital assets, specialized types of equipment purchases, communications, and data transmission systems.
3. Interim Debt. Interim debt shall be issued for a term of less than five years. This borrowing may be utilized for temporary funding of operational cash flow deficits pending receipt of anticipated revenues or interim construction financing needs. Such borrowing may be in the form of: (a) a line of credit at the County's depository bank; (b) tax anticipation notes; (c) internal fund borrowings. Repayment will occur over a period not to exceed the useful life of the underlying asset or in any case no longer than five years from the issuance date of such obligations. The County will determine and utilize the least costly method for interim borrowing.
4. Board of Commissioners Authorizations. All long, short, and interim term debt shall require Board of County Commissioners authorization prior to issuance. The Board of County Commissioners in unusual or emergency situations may authorize exceptions to the long-term, short-term, and interim debt limitations.  6. Allow the County to offer rebuttal evidence and testimony limited to rebuttal of points raised. New testimony will not be heard.
 7. Conclude the hearing and announce a decision or take the matter under advisement.
- C. The County shall have the burden of proving the alleged offense by a preponderance of the evidence but proof of a culpable mental state is not an element of any offense enforceable under this chapter.
- D. A responsible party may not be required to be a witness against him or herself in the hearing of any offense under this chapter.
- E. At hearing of an offense under this chapter, defense counsel shall not be provided at public expense.
- F. At hearing of an offense under this chapter, a prosecuting attorney may, but need not, appear unless counsel for the responsible party appears. The hearings officer shall ensure that the prosecuting attorney is given timely notice if defense counsel is to appear at hearing. (Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.160 Decision and order of hearings officer.

Upon conclusion of the hearing, the hearings officer shall prepare a compliance order. A copy of the order shall be mailed or personally delivered to the responsible party and the code compliance specialist. The compliance order shall be final as to each party upon such mailing or delivery. (Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.170 Review of compliance order for lack of notice.

- A. If, after a compliance order has been entered in the County lien record, there is a written request of a responsible party who alleges that the responsible party did not receive a notice of infraction, the code compliance specialist shall refer the matter for review by the hearings officer.
- B. The compliance order may be canceled or amended by the hearings officer, on review, if it is determined that the responsible party did not receive the compliance order and did not previously have knowledge of the notice of infraction or of any nuisance abatement work constituting the basis of the violation, could not, in the exercise of reasonable care or diligence, have had such knowledge, and in addition, that the circumstances are such that a cancellation or amendment of the order would have been appropriate had the matter been reviewed prior to recording the County lien record. (Ord. 13-04 § 3; Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.180 Schedules of fines.

- A. The Board may by order establish and modify recommended schedules of minimum fines for offenses enforceable under this chapter. The hearings officer may accept or modify such minimum fine schedules.
- B. Until modified by order of the Board, the presumptive minimum fine per violation shall be:
1. \$500.00 for the first notice of infraction filed under this chapter.
 2. \$750.00 for a second notice of infraction for the same ongoing, unabated, or repetitive violation.

3. \$1,000.00 for the third and all subsequent notices of infraction for the same ongoing, unabated, or repetitive violation.
- C. The maximum fine for any single offense imposed under this chapter shall be \$20,000.00. Interest on outstanding fines shall accrue at the statutory rate.
- D. After service of a notice of infraction, each day that a nuisance continues may be treated as a separate violation and treated with a separate and continuing fine. This continuing fine may be in addition to a fine for the original violation and the County's assessments. If a compliance order imposes a continuing fine the minimum fine schedule shall be employed for each daily violation.
- E. If a responsible party demonstrates to the code compliance specialist that the nuisance is abated within 30 days of the issuance of a notice of infraction the fine for that violation shall be reduced to 20% of the amount assessed in the most recent notice of infraction. If the responsible party does not demonstrate abatement of the nuisance within 30 days of service the full amount of any fine assessed under this chapter is due, regardless of whether the violation is later cleared. (Ord. 13-04 § 3; Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.190 Disposition of forfeited bail of fines received.

Fines and assessments recovered under this chapter shall be paid to Clatsop County and deposited in a dedicated fund to be used exclusively for nuisance abatement activities and administration pursuant to this chapter. (Ord. 13-04 § 3; Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.200 Responsibility to remedy.

Payment of a fine and assessments on a notice issued under this chapter does not relieve a responsible party of the responsibility to remedy the violation and such offender may be subject to additional enforcement as provided by this chapter. (Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.210 Appeals.

An appeal from the compliance order of the hearings officer may be taken to the Board of County Commissioners by either party pursuant to the provisions for appeals of land use matters, LWDUO Section 2.230 et seq., except that no final decision of the Board of Commissioners may be appealed to LUBA except as provided in ORS 197.825. (Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.220 Other remedies preserved.

- A. County counsel shall have the authority to prosecute any person cited under this chapter in the name of the County. If any offense under this chapter is also an offense under state law, the district attorney and any deputy district attorney of Clatsop County shall retain all authority given under state law to prosecute the alleged offender in the name of the state under the provisions of state law.
- B. In lieu of, or in addition to, the procedure set forth in this chapter, the County may exercise any and all remedies available at law or in equity for the enforcement of any County ordinance, resolution or order or any state statute or administrative rule. (Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.230 Enforcement action discretionary.

A decision to take any enforcement action pursuant to this chapter including a decision to seek a fine or any equitable relief, is permissive and not mandatory. Any decision made not to take enforcement action is declared to be an act of discretion as described by ORS 30.265. (Ord. 13-04 § 3; Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.240 Intergovernmental agreements.

The Board may enter into intergovernmental agreements with any city or cities in Clatsop County and with any administrative agency of the State of Oregon to further the purposes of this chapter. An agreement under this section shall be in accordance with ORS Chapter 190. (Ord. 04-08 § 7; Ord. 96-15 § 4)

1.12.250 Inspection warrants.

A. Warrants. Whenever an inspection is necessary to investigate or enforce an enforcement action, or whenever the code compliance specialist has reasonable cause to believe that a nuisance or infraction exists in any building or upon any property, the code compliance specialist may request a circuit court judge issue an inspection warrant for the inspection or investigation of any building or upon any property. The inspection warrant is an order authorizing a safety or health inspection or investigation to be conducted at a designated building or property.

B. Grounds for Issuance of Inspection Warrants—Affidavit.

1. Affidavit. An inspection warrant shall be issued only upon cause, supported by affidavit, particularly describing the applicant's status in applying for the warrant, the statute, ordinance or regulation thought to be violated, the building or property to be inspected or investigated, and the purpose for which the inspection or investigation is to be made including the basis upon which cause exists to inspect. In addition, the affidavit shall contain a statement that entry has been sought and refused or facts or circumstances reasonably showing that the purposes of the inspection or investigation might be frustrated if entry were sought without an inspection warrant.
2. Cause. Cause shall be deemed to exist if reasonable legislative or administrative standards for conducting a routine, periodic or area inspection are satisfied with respect to any building or upon any property, or there is cause to believe that a nuisance or infraction exists with respect to the designated property, or an investigation is reasonably believed to be necessary in order to discover or verify the condition of the property for conformity with any license, permit, statute, administrative rule, ordinance, order or resolution.

C. Procedure for Issuance of Inspection Warrant.

1. Examination. Before issuing an inspection warrant, the judge may examine the applicant and any other witness under oath and shall be satisfied of the existence of grounds for granting such application.
2. Issuance. If the judge is satisfied that cause for the inspection or investigation exists and that the other requirements for granting the application are satisfied, the judge shall issue the warrant, particularly describing the person or persons authorized to execute the warrant, the property to be entered and the purpose of the inspection or investigation. The warrant shall contain a direction that it be executed on any day of the week between the hours of 8:00 a.m. and 6:00 p.m., or where the judge has specially determined upon a showing that it cannot be effectively executed between those hours, that it be executed at any other time of the day or night.

D. Execution of Inspection Warrants.

1. Occupied Property. Except as provided in subsection (D)(2) of this section, in executing an inspection warrant, the person authorized to execute the warrant shall, before entry into the occupied premises, make reasonable effort to present the person's credentials authority and purpose to an occupant or person in possession of the property designated in the warrant and show the occupant or person in possession of the property the warrant or a copy thereof upon request.
2. Unoccupied Property. In executing an inspection warrant on unoccupied property, the person authorized to execute the warrant need not inform anyone of the person's authority and purpose, as prescribed in subsection A of this section, but may promptly enter the designated property if it is reasonably believed to be unoccupied or in the possession of any person. In such case a copy of the search warrant shall be conspicuously posted on the property.
3. Police Assistance. In issuing an inspection warrant, the judge may authorize any peace officer, as defined in Oregon Revised Statutes, to enter the described property to remove any person or obstacle and assist the building inspector or County representative inspecting the property in any way necessary to complete the inspection.
4. Return. An inspection warrant must be executed within ten working days of its issue and returned to the judge by whom it was issued within five working days from its date of execution, unless such judge before the expiration of such time extends the time for five days. After the expiration of the time prescribed by this subsection, the warrant unless executed is void. (Ord. 04-08 § 7; Ord. 96-15 § 4)
